## News and Notes from the Hackett Athletic Department

### Webstore

The online web store has closed, all of the items will be available for pickup at Hackett in the next few weeks. We will announce times to pick up your orders.

We are looking to have another web store before Christmas.

If there are any items you would like to see included on future web stores, please let the Athletic Department know.

### State Rankings

**United Football - 5th in D5**

**Girls Golf - 5th in D4**

**Boys Soccer - 6th in D4**

**Boys Tennis - 6th in D4**

### Seasons

As the calendar turns to October, we may all be thinking of bonfires, flannel and putting our storm windows in (Mrs. Abid has politely asked me to do that this weekend...), our athletes are thinking about finishing their season strong! Next week two of our sports teams will wrap up conference play and look to close out as champions. All of our teams will begin the push towards the state tournaments in the next few weeks as they aim to leave a lasting mark at Hackett and achieve that ultimate goal of a state championship. It is an exciting time in the high school sports season, I look forward to seeing our athletes close out strong. As Always, GO IRISH!!
