

THE MOST REV. PAUL BRADLEY  
BISHOP, DIOCESE OF KALAMAZOO

### CSGK MISSION STATEMENT

In partnership with parents, we provide the Kalamazoo area community a Catholic faith based education that focuses on high achievement, a caring environment, and responsible sharing of time, talent and treasure.

## DEAR SISTERS & BROTHERS IN CHRIST,

With joy and gratitude I greet you as you review this annual report of giving to the Catholic Schools of Greater Kalamazoo (CSGK). Each year as you review the wonderful accomplishments of all our schools in the greater Kalamazoo area, I take this occasion to express my sincere appreciation for your support of Catholic school education. Our students are exceptional in many different ways, and through their education and formation in our schools, they are being prepared to be the leaders of society for the next generation. I always look forward to the occasions I have to interact with the students in the Catholic Schools in our CSGK system when I celebrate Mass for various occasions during the year, or in my associations over our many worthwhile academic ventures such as the St. Thomas More Scholarships. It is always an inspiring experience for me to witness faith coming alive and growing in these young people.

Pope Francis, in his role as Supreme Teacher of the Faith, affirms the importance of Catholic education, when he wrote: “The mission of Catholic schools is to develop a sense of truth, of what is good and beautiful. And this occurs through a rich path made up of many ingredients. That is why there are so many subjects — because development is the result of different elements that act together and stimulate intelligence, knowledge, the emotions, the body and so on.”

The Catholic Schools of Greater Kalamazoo are wonderful examples of that “rich path” whereby our dedicated clergy, administrators, teachers, staff and parents work together in a community of faith to develop and form our young adult leaders of tomorrow.

Please join with me in praying that our Catholic schools will thrive and grow for generations still to come.

Assuring you of my prayers for you and all our Catholic school families, I remain,

Faithfully yours in Christ,

Most Rev. Paul J. Bradley  
Bishop of Kalamazoo

## COMMUNITY ANCHOR PROJECT

In 2014, St. Augustine Cathedral School, St. Augustine Cathedral Parish and the Diocese of Kalamazoo embarked on a multiyear collaboration on their shared campus: The Community Anchor Project—Love Thy Neighbor. With work complete on two phases of the project and continuing on a third, St. Augustine students and neighborhood children are benefiting from additional green space and new play equipment while other improvements provide

a welcoming entrance for parishioners and visitors to the campus. This project has been possible thanks to the generous support of school, parish, community and diocesan donors, foundations, and corporate partners including those listed below.
